

## **HOTEL HEART– A POLICY FOR PREVENTING DOMESTIC VIOLENCE, SEX PURCHASE AND HUMAN TRAFFICKING**

---

**If you are concerned that someone at the hotel is being hurt, please do the following:**

- 1. Try to locate the room where the incident is occurring.**
  - 2. Knock on the door. You can always knock and leave if it feels unsafe to remain at the door.**
  - 3. Contact the front desk or other hotel staff and tell them about your concerns and observations.**
  - 4. Call the police. Always contact the police if the situation is urgent or threatening.**
- 

### **KNOCKING CAN MAKE A LIFE CHANGING DIFFERENCE!**

**If you don't feel comfortable remaining at the door, go and get help from the hotel staff! Knocking on the door can be enough to stop the ongoing violence or sex purchase. You can save lives and help create a brighter future for others.**

**Purchasing sexual services is illegal in Sweden. The penalty is fines or imprisonment. It is legal to sell sexual services.**

**For us, it is important to take a stand! Thank you for joining us and making a difference!**
